

Welcome to Mount Litera Zee School. Or rather, an inspiring school of thought that is creating the next generation of thought-leaders in India.

At Mount Litera Zee School (MLZS), we have successfully challenged the erstwhile notion of schooling system that believed in creating an assembly line of same-thinking students and created an ecosystem that celebrates and nurtures the potential that lies within each child. We do so by delivering the nationally accepted CBSE curriculum in a dynamic and unique manner. Thereby, creating a generation who is ready for the 21st century.

OUR VISION

- ▶ To create an excellent educational institution synthesising the human values with the highest quality of teaching–learning using modern technology-driven tools for preparing a well-rounded personality for our society.
 - ▶ To shape global minds on the Indian soil. To ensure this, the school will give every student an access to world-class infrastructure, and an innovative curriculum that promotes the all-round development of the child imbibing traditional values.
- 

“THE DEEPER THE ROOTS,
THE STRONGER THE SHOOTS.
THE STRONGER THE PAST,
THE BETTER THE FUTURE.”

OUR PHILOSOPHY

Every aspect, action and decision at Mount Litera Zee School is governed by a single, simple principle - What's Right for the Child (WRFC). This helps us keep the child at the centre of everything we do and ensures single-minded devotion to their growth and development.

OUR BELIEF SYSTEM

- ▶ Children are not just roll numbers, they are unique individuals.
- ▶ Every child is talented. Schools just need to figure out, where that talent lies.
- ▶ A school's role is developing the whole individual, and not just completing the syllabus.
- ▶ Holistic development needs partnership between schools and parents.
- ▶ Schools need an integrated approach centred on the child.

**HOLISTIC EDUCATION BY ADHERING TO THE PHILOSOPHY
OF WHAT'S RIGHT FOR THE CHILD (WRFC)**

“INTELLIGENCE
PLUS
CHARACTER,
THAT IS
THE GOAL
OF TRUE
EDUCATION.”

PARENTS' TESTIMONIALS

“ We trust a name like ZEE to provide the best and we are very impressed by the infrastructure and planning of the school. The academics in the school are very well structured and with just 35 children in each Class from Class I upwards, we are sure our son will get the necessary attention and care. The sports facilities, the English and Science Lab and the curriculum is everything we could have asked for. The school just compares to any international standard. ”

- Mrs. Anupama Jindal

“ From the age of 6, our son has shown a keen interest in football. He was so much into it, we thought it would be unfair to send him to a school that will place extracurricular activities below academic excellence. That's when we found out about MLZS and how much they encourage sports inclined students. We didn't have to think twice before enrolling him into MLZS. ”

- Mr. & Mrs. Kerkar

“ You know a child is happy at a school just by measuring her enthusiasm in getting up in the morning. My daughter, Ananya, is so enthusiastic to go to school, she wakes up before us. There's nothing more relieving than knowing that your child is in the best hands, academically as well as emotionally. ”

- Mr. Joseph Paul
